CARD NUMBER YY)	EXPIRATION DATE (MM/
CARDHOLDER'S NAME	
CARDHOLDER'S SIGNATURE	

If paying by credit card, I understand and agree to pay all fees listed above in accordance with my cardholder's agreement. I further agree to the amounts above being charged in US Dollars (USD).

Please make cheques payable to
"Blue Parabola, LLC"

IMPORTANT: PAYMENT MUST BE RECEIVED BY FEB 28, 2012 TO QUALIFY FOR EARLY-BIRD RATE. HOTEL RESERVATIONS SUBJECT TO AVAILABILITY.

Cancellation and refund policy: All conference sales are final and non-refundable. We reserve the right to cancel the event upon refund of your attendance fees.

If you have specified a hotel stay, we will make a hotel reservation in your name at the hotel for the dates you provided at the discount conference rate of \$140 USD (+13% tax) per night. A credit card is required to make a hotel reservation, but the hotel stay will not be charged until checkout.

INSTRUCTIONS

Thank you for your interest in signing up for php|tek 2012! We look forward to seeing you in Chicago at the Sheraton Gateway O'Hare Suites Hotel between May 22 and May 25, 2012.

Choosing a Conference Package

This year's conference is divided in two events:

- **Tutorial Day**—May 22 is a day dedicated to special tutorial sessions that cover particular topic in significant detail. These sessions last either 3 or 6 hours (depending on whether they are half- or full-day events) and are typically closer to a training course than a regular conference talk.
- **Main Conference**—the main conference takes place on May 23, 24 and 25.

You can choose to attend either the the Main Conference only, or both the main conference and the tutorial day (our best value!) by marking the check box next to your selection.

Discount Options

We offer a wide variety of discounts geared towards many different groups:

- Alumni are attendees of past php|architect conferences.
- Government are employees of all levels of government worldwide, including extra-governmental organizations (e.g.: NATO, UN, etc.)
- Academia are members or employees of secondary and postsecondary institutions worldwide
- Non-profit are employees of organizations of proven non-profit status worldwide
- Students are part- or full-time of government-recognized secondary or post-secondary institutions worldwide
- User Group are members of a Linux/PHP/Python/MySQL usergroup anywhere in the world
- Multi-User discounts apply when more than one attendee registers at the same time. Simply send in all the attendee forms together, and we will apply the discount on your behalf.

Qualifying for a Discount

Generally speaking, when an attendee's registration information provides obvious proof of membership in a group for which you are claiming a discount, we do not require any additional documentation. For example, if your e-mail address belongs to the domain of a school, a non-profit organization, and so on, we will not ask you for any additional proof of status.

In some cases, it may be necessary for us to ask for additional information before we can grant a discount. In such cases, we will contact you within seven days of receiving your attendee registration form and let you know before processing your sign up. Once you receive a confirmation of your signup from by either by fax or e-mail, your registration is accepted and no further documentation is required.

Please note that discounts cannot be combined. Forms with more than one box checked will not be processed.

Hotel Stays

If you wish to stay at the Sheraton Gateway Hotel during the conference, we have negotiated a special conference-only rate of \$140 USD (+13% tax).

Should you choose to make a hotel reservation, we are able to offer this rate for any day between May 20 and May 29. If you require a longer stay, please contact us first so that we may confirm your rate with the hotel.

Please note: if you request a reservation, we require a credit card to make the reservation, even if you are paying by cheque. The card will be used to reserve your room only, and you will be charged for the room (plus any incidentals) directly by the hotel at check-out.

Conference tickets and hotel reservations are subject to availability. If we are unable to make a reservation, we will inform you and help you make alternative arrangements.

Meal Preference

Please indicate if you have special dietary needs. The hotel can cater vegetarian and kosher meals, but we may be unable to guarantee that the food hasn't come into contact with nuts or other allergens.

If you have any questions about the food provided, please contact us at info@phparch.com.

Payment Methods

We accept payments by cheque or credit card (VISA, and MasterCard).

If you are paying by cheque, please ensure that your cheque is drawn on a US or Canadian bank and made out in US dollars.

If paying by credit card, please be advised that we will charge your card in US Dollars (USD). Your credit card institution will automatically convert the amount over to your local currency at the prevailing rate determined by them.

Contacting Us

If you have any questions about your registration, or about the sign-up process, please do not hesitate to contact us:
